

PCRC Certification Workbook

Post Consumer Recycled Content (PCRC) Percentages Worksheet

Contractor: Sharp Electronics CorporationRevision: 7**Instructions:**

1. For all line items offered to the State, Bidder shall list the minimum percentage, if not exact percentage, of postconsumer material within the State Agency Buy Recycled Campaign (SABRC) Reportable Product Categories.
2. **Sample #1** - If the line item contains PCRC that meets or exceeds the SABRC minimum percent PCRC, Contractor(s) shall enter "Yes" in Column D. Bidders must also enter the product's PCRC percentage in appropriate SABRC category column.
3. **Sample #2** - If the line item contains PCRC, but does not contain the SABRC minimum percent PCRC, Contractor(s) shall enter "No" in Column D. Bidders must also enter the product's PCRC percentage in appropriate SABRC category column.
4. **Sample #3** - If the line item does not contain PCRC, Contractor(s) shall enter "N/A" in the the column, "Product meets SABRC Minimum PCRC Content."
5. Refer to SABRC Reportable Product Categories Table for more information regarding categories listed.

Contract Line Item Number (CLIN)	Item Description	Manufacturer	Manufacturer's Part Number	Product meets SABRC Minimum PCRC Content	Postconsumer Recycled Content Percentage (%) per SABRC Product Category										
					70%	80%	10%	70%	10%	50%	30%	10%	30%	50%	retread

PCRC Certification Workbook
Letter of Certification

Instructions:

All Bidders shall print and sign this "Letter of Certification", certifying the minimum percentage, if not exact percentage, listed in the spreadsheet entitled "PC RC Percentages Worksheet" is the post consumer recycled content (PC RC) material in each product listed and offered in this contract. The certification shall be furnished under penalty of perjury.

Pursuant to Public Contract Code 12205(a)(1), I certify under penalty of perjury under the laws of the State of California that the information provided in the PC RC Table worksheet in the Post Consumer Recycled Content (PC RC) Percentages Workbook is true and correct.

Solicitation No.: Event 00000002334 Multi-Funtion Copiers

PCRC Certification Workbook

Post Consumer Recycled Content (PCRC) Percentages Worksheet

Contractor: Smile Business Products
Revision: 6

Instructions:

1. For all line items offered to the State, Bidder shall list the minimum percentage, if not exact percentage, of postconsumer material within the State Agency Buy Recycled Campaign (SABRC) Reportable Product Categories.
2. **Sample #1** - If the line item contains PCRC that meets or exceeds the SABRC minimum percent PCRC, Contractor(s) shall enter "Yes" in Column D. Bidders must also enter the product's PCRC percentage in appropriate SABRC category column.
3. **Sample #2** - If the line item contains PCRC, but does not contain the SABRC minimum percent PCRC, Contractor(s) shall enter "No" in Column D. Bidders must also enter the product's PCRC percentage in appropriate SABRC category column.
4. **Sample #3** - If the line item does not contain PCRC, Contractor(s) shall enter "N/A" in the the column, "Product meets SABRC Minimum PCRC Content."
5. Refer to SABRC Reportable Product Categories Table for more information regarding categories listed.

PCRC Certification Workbook
Letter of Certification

Instructions:

All Bidders shall print and sign this "Letter of Certification", certifying the minimum percentage, if not exact percentage, listed in the spreadsheet entitled "PC RC Percentages Worksheet" is the post consumer recycled content (PC RC) material in each product listed and offered in this contract. The certification shall be furnished under penalty of perjury.

Pursuant to Public Contract Code 12205(a)(1), I certify under penalty of perjury under the laws of the State of California that the information provided in the PC RC Table worksheet in the Post Consumer Recycled Content (PC RC) Percentages Workbook is true and correct.

Solicitation No.: Event 0000002334 Multi-Functional Copiers
